Aha aha this is for my fans
Aha aha this is for my destiny
Aha aha this is for my fans
Aha aha this is for my future man
Aha aha this is for my best-friend
Aha aha this is for my future children
Aha aha this is for my mother
Aha aha this is for my...

You are my best friend.
And I love you
You're always there to love me,
When I didn't even love my self
You bring out the best in me
And I thank you
Thank you for my life, thanks for your advice
Your wisdom and your straight ohh

My earth angel
Thank you I'm so great full
For trusting me and lovin'me
If you love unconditionally
My earth angel
Thank you I'm so great full
For trusting me and lovin'me
If you love unconditionally

You are my messenger
From heaven
No matter how unhappy I become,
You always find a way to make me smile
And I admire you
For your feel hard
You always giving all of you
To everyone around you
And I pray we never part

My earth angel
Thank you I'm so great full
For trusting me and lovin'me
If you love unconditionally

My earth angel
Thank you I'm so great full
For trusting me and lovin'me
If you love unconditionally

And if it wasn't for you
And if I didn't know you
And if you never reach me
And if you didn't tease me
I wouldn't be who I am right now
I wouldn't give what I give right now
I wouldn't think what I think right now
I'm thanking you, I'm thanking you, ohhh

My earth angel
Thank you I'm so great full
For trusting me and lovin'me
If you love unconditionally
My earth angel
Thank you I'm so great full
For trusting me and lovin'me
If you love unconditionally

My earth angel
Thank you I'm so great full
For trusting me and lovin'me
If you love unconditionally
My earth angel
Thank you I'm so great full
For trusting me and lovin'me
If you love unconditionally
