I'm trying to let you know what it's all about
I know you wanna leave
So many little games silly people play
Don't act foolishly

I'm so real, so soft to the touch
My love, my kiss so sweet, glorious
The look on your face
Anyone can see no one does it like me

Oh, no, oh, no
Can't nobody do it like me (Oh)
Uh-uh, oh, no
Can't nobody do it like me (Like me)

Oh, no, oh, no
Can't nobody do it like me (Baby)
Uh-uh
And get right down to it like me

Oh, no, oh, no
Can't nobody do it like me (Oh)
Uh-uh, oh, no
Can't nobody love you like me

Oh, no, oh, no
Can't nobody do it like me
Uh-uh
N-n-n-n-n-n-n-n

Hey, I knew you'd be the one to come out, come out
I need you please to relax
I know I messed up, but if you leave me now
Ain't no comin' back

No more, no me, no you
No us, no kiss, no hug, tell the truth
See, I'm the only one that could love you, babe
You're not that big a fool, oh, no

Oh, no, oh, no

Can't nobody do it like me (Oh, no)
Uh-uh, oh, no
Can't nobody do it like me (Nobody)

Oh, no, oh, no
Can't nobody do it like me
Uh-uh
And get right down to it like me (They can love you)

Oh, no, oh, no
Can't nobody do it like me
Uh-uh, oh, no
Can't nobody love you like me (Can touch you)

Oh, no, oh, no
Can't nobody do it like me
Uh-uh (Baby, they can't, nobody)
N-n-n-n-n-n-n-no

Can't no one else but me do (The things)
The things that I do to you (That I do to you), the
Things that I do to you (Baby)
Can't no one else but me do (They can't do the things
That I do to you)
The things that I do to you, the things that I do to
You
The things that I do to you, ooh (No, no, no)

Oh, no, oh, no
Can't nobody do it like me
Uh-uh, oh, no
Can't nobody do it like me

Oh, no, oh, no
Can't nobody do it like me (They can't love you)
Uh-uh (They can't love you)
And get right down to it like me (They can't love you)

Oh, no, oh, no
Can't nobody do it like me (Oh, no)
Uh-uh, uh-uh
