Chill out whatcha yelling for
lay back it's all been done before
And if you could only let it be you would see
I like you the way you are
when we're driving in your car
and you're talking to me one on one but you become

Somebody else
'round everyone else
watching your back
like you can't relax
you're trying to be cool
you look like a fool to me
tell me

why do you have to go and make things so complicated
I see the way you're acting like you're somebody else
get's me frustrated
life's like this you
you fall and you crawl and you break and you take what
you get and you turn it into
honesty and promise me i'm never gonna find you fake
it
no no no...

you come over unannounced
dressed up like you're something else
where you are and where it's that you see you're
making me
laugh out when you strike a pose take off all your
preppy clothes
you know you're not fooling anyone when you've
become

somebody else
round everyone else
watching your back
like you can't relax
you're trying to be cool
you look like a fool to me
tell me

why do you have to go and make things so complicated
