"Falling Out Of Love"

Visit "[Falling Out Of Love](#)" on MotoLyrics.com

Been sitting thinking about you and I
And wondering why we're not getting along
So frustrating cause what we had was a happy home.
I don't know what the situation is but I can tell in the way
we kiss
We don't talk no more it feels better when I'm alone

Bridge:

Sometimes I feel like there's no getting through to you
Like you don't appreciate all that I do.
You gotta show me that you want me to stay
Don't turn and walk away

Chorus:

Baby I'm slowly falling out of love with you
I don't know what to do,
How did we end up here this way?
What are we gonna do?
I'm slowly falling out... baby
We're tripping on silly things
Boy I need you to meet me halfway,
If you want me to be with you...

I remember when, I'd be with my friends
You checked on me and made time to call
But how things have changed? --
Now I don't hear from you at all.
Yeah yeah yeah

Bridge:

Sometimes I feel like there's no getting through to you
Like you don't appreciate all that I do.
You gotta show me that you want me to stay
Don't turn and walk away

Chorus:

Baby I'm slowly falling out of love with you
I don't know what to do,
How did we end up here this way?
What are we gonna do?

I'm slowly falling out... baby
We're tripping on silly things
Boy I need you to meet me halfway,
If you want me to be with you...

Don't let your pride get in the way,
For something we worked so hard --
Don't throw it away
I've been tryna make you see
Everything you need is right here with me

Bridge:
Sometimes I feel like there's no getting through to you
Like you don't appreciate all that I do.
You gotta show me that you want me to stay
Don't turn and walk away

Chorus:
Baby I'm slowly falling out of love with you
I don't know what to do,
How did we end up here this way?
What are we gonna do?
I'm slowly falling out... baby
We're tripping on silly things
Boy I need you to meet me halfway,
If you want me to be with you...

Slowly falling
Slowly falling

How did we end up here this way?
Oh
Slowly falling
Slowly falling
How did we end up here this way?
Oh
