Girl relax, I got your back.  
I've never seen you put it in the air like that.  
You have a little bit, up on your thigh.  
I'm horny with it girl, you remind me of my Jeep.  
Alright, got the neighbor's hearin' you beep.  
Girl, when it's just you and me.  
I'mma put that ass to sleep.

Scratch my back, bite your neck.  
Welcome to the world of havin' sex.  
Pick you up, pin you down.

And we can do this all night,  
Take flight on cloud ni-i-i-ine.

Take you there, let me be your stairs.  
Just put your legs, in the air.  
I want you to sit right there, I'mma be your chair.  
And I'mma rock your body slowly,  
And do it like I owe you a fa-a-vor. [Oooyaah)  
A fa-a-vor. [Ooooyaah)
