[Kelly Rowland - Verse 1]

Been walking in tightrope my whole life  
I'm here on my own and I'm afraid of the heights  
I'm ready to fall but wonder will I survive  
But then you came along,  
And now I'm taking the dive, the dive

I want jump off a plane  
But without parachute  
Cuz I won't hit the ground  
Long as I have you  
I wanna lift up in air  
Without a safety net  
Cause I know that you'll catch me

[Chorus]

I wanna free fall, into your arms  
I wanna free fall, into your arms  
I know that you'll catch me  
Just count to five  
I wanna free fall, into your arms

[Kelly Rowland - Verse 2]

I'm just by the (?)  
Crashing up in the sky  
But with you standing by,  
I'm only waiting to fly

I want jump off a plane  
But without parachute  
Cuz I won't hit the ground  
Long as I have you  
I wanna lift up in air  
Without a safety net  
Cause I know that you'll catch me

[Chorus]

I wanna free fall, into your arms  
I wanna free fall, into your arms  
I know that you'll catch me  
Just count to five  
I wanna free fall, into your arms

Free fall
