Have you been in a situation that had you frustrated?
You look at your man and you wonder how he became
your baby?

Listen to me, I got the answer for you,
Let me tell you what I do!
When he starts acting up,
Put up my insurance card.
And not the one for your trust,
Talking about the only card.
He's my just in case, like my ace of spades,
I'm gonna use them all the time,
Only when is one of those days, yeah!

Chorus:

When your man is taking you for granted, what do you
do?

You get him back by getting, getting you a get back!
When he's acting like he's got so many things to do,
You get him back by getting, getting you a get back!
When he's up on his own, doing whatever,
... waiting at home, you should know better,

...

Get yourself a get back, a get back!

I hate to be made a full of, love!
Give you all my trust, but what's the mean of?
Did you wanna play games,
But we can play both ways,
Stop looking at me like you don't know what to say,
You should know!

You've been acting... for a while,
Pull on my insurance card,
And not the one for your trust,
Talking about the only card,
He's my just in case, like my ace of spades,
I'll use them all the time,
Only when is one of those days, yeah!

Chorus:

When your man is taking you for granted, what do you
do?

You get him back by getting, getting you a get back!
When he's acting like he's got so many things to do,
You get him back by getting, getting you a get back!
When he's up on his own, doing whatever,
... waiting at home, you should know better,

...

Get yourself a get back, a get back!

Hey, if you want me say, hey!
If you want me say, hey!
... we could play that game,
Listen! No!
Pay attention! No!
If ain't got his game nothing can't change him!
Then you need to get back, girl!
... if you hear me say! Hey!
If you hear me say! Hey!
And I'll know that we can play the game.
Listen! No!
Pay attention! No!
If ain't got his game nothing can't change him!
Then you need to get back, girl!

Chorus:

When your man is taking you for granted, what do you do?
You get him back by getting, getting you a get back!
When he's acting like he's got so many things to do,
You get him back by getting, getting you a get back!
When he's up on his own, doing whatever,
... waiting at home, you should know better,
...
Get yourself a get back, a get back!
Get yourself a get back, a get back!
If your man is taking you for granted, what do you do?
Get yourself a get back, a get back
