You give good love
A real good love
Baby, I can't believe
You are my destiny

You give good love
A real good love
Baby, I can't believe
You are my destiny

Have I told you lately?
That I am grateful of my sweet baby
You're everything a woman could want
No maybes 'cause I can't keep it inside
Keep giving, giving me good love, yeah

You give good love
A real good love
Baby, I can't believe
You are my destiny

You give good love
A real good love
Baby, I can't believe
You are my destiny

Never thought one moment
That we're together could be so happy
The kind of love that's only in dreams
Don't wanna wake up if I lose your touch
Keep giving, giving me good love, yeah

You give good love
A real good love
Baby, I can't believe
You are my destiny

You give good love
A real good love
Baby, I can't believe

You are my destiny

I've been looking
Trying to find something new
(Something new, thank God, there's you)
Heaven sent a love to me that's so good
('Cause Heaven sent a love that'll love me like no other)

Uh, break it down
Kelly Price, oh, oh, oh
Yeah, ya heard it right here, baby
Good love

You give good love
A real good love
Baby, I can't believe
You are my destiny

You give good love
A real good love
Baby, I can't believe
You are my destiny

You give good love
A real good love
Baby, I can't believe
You are my destiny

You give good love
A real good love
Baby, I can't believe
You are my destiny

You give good love, yeah, you do
Hey, you give good, baby
I can't believe, oh

You give good love
A real good love
Baby, I can't believe
You are my destiny

You give good love
A real good love
Baby, I can't believe
You are my destiny

You give good love
A real good love
Baby, I can't believe
You are my destiny

You give good love
