Look in my eyes
What do you see?
Only me
Got nothing to hide
Seek and you'll find
What's on my mind
It's happened so fast
Not a part of my plan
So I'm leaving my heart in your hand

Haven't told you
Just how much I love you
Only 'bout dreamin'
I show no feelings
Haven't told you
Just how much I love you
Time for revealin'
And I will give you something too
A love from me to you

Look in my eyes
You know me so well
Can't you tell that I
Am way in to deep
I'm going down
So catch me now
It's happened so fast
Not a part of my plan
Now I'm leaving my heart in your hand

Haven't told you
Just how much I love you
Only 'bout dreamin'
I show no feelings
Haven't told you
Just how much I love you
Time for revealin'
And I will give you something too
A love from me

I feel you

Everyday
I breathe you
Every single moment from the start
I see you
Constantly
I feel you
You move me so
No letting go
You smile in me
My heart is yours to keep

Haven't told you
Just how much I love you
Only 'bout dreamin'
I show no feelings
Haven't told you
Just how much I love you
Time for revealin'
And I will give you something too
Haven't told you
Just how much I love you
Only 'bout dreamin'
I show no feelings
Haven't told you
Just how much I love you
Time for revealin'
And I will give you something too
A love from me to you
