Look in my eyes
What do you see?
Only me
Got nothing to hide
Seek and you'll find
What's on my mind
It's happened so fast
Not a part of my plan
So I'm leaving my heart in your hands

(Chorus)
Haven't told you
Just how much I love you
Only 'bout dreaming
I show my feelings
Haven't told you
Just how much I love you
Time for revealing
And I will give something too
A love from me to you

Look in my eyes
You know me so well
Can't you tell that I
Am way to deep
I'm going down
So catch me now
It happened so fast
Not a part of my plan
Now I'm leaving my heart in your hands

(Chorus)

(Bridge)
I feel you
Everyday
I breathe you
Every single moment from the start
I see you
Constantly
I feel you

You move me so
No letting go
You smile at me
My heart is yours to keep

(Chorus til end)
