It was valentines day, February the 14th
My baby took me to a special place
Said, he had a surprise for me

He told me to close my eyes, so that I could not see
And when I opened them up
He was on one knee reachin' for my hand

That's when

He proposed to me, he proposed with a diamond ring
I started crying, he placed it on my finger and I said
yes
He proposed to me, my baby proposed with a diamond
ring
I couldn't believe it, I looked in his eyes and I said yes

I'll never forget that night, it was 8:43 P.M to be precise
He looked in my eyes and said
"You've made me the happiest man alive"

And soon as I got home I called my mother on the
phone
I said, "Mother, you won't believe what just happened
to me"

He proposed to me, he proposed with a diamond ring
I started crying, he placed it on my finger and I said
yes
He proposed to me, my baby proposed with a diamond
ring
Couldn't believe it, I looked in his eyes and I said yes

'Cuz we will be together baby and this I know
See, we will love forever baby, my heart told me so
See, if you promise to hold me tight and never let me
go
We'll be husband and wife for the rest of our lives

He proposed to me, he proposed with a diamond ring
I started crying, he placed it on my finger and I said
yes

He proposed to me, my baby proposed with a diamond
ring
Couldn't believe it, I looked in his eyes and I said yes

He proposed to me, he proposed with a diamond ring
I started crying, he placed it on my finger and I said
yes
He proposed to me, my baby proposed with a diamond
ring
Couldn't believe it, I looked in his eyes and I said yes

He proposed to me, he proposed with a diamond ring
I started crying, he placed it on my finger and I said
yes
