I've got heaven's best
See I used to do wrong
But now I do right
I've got heaven's best

I still remember being young
When living safe, it wasn't any fun
People judged the way that you looked
But that wasn't in the book

The Bible was a big book of rules
Living for God I thought it wasn't cool
Studied what His word said to me
Then I found my liberty

As He saved my soul when I
(When I told him yes)
He gave me heaven's best
(Gave me heaven's best)

Now I live my life blessed
(I live my life blessed)
God gave me love and happiness
(Love and happiness)

Religion's getting thrown out the door
'Cause religion ain't workin' anymore
'Cause I learned another way
See it ain't like your granny says

I'm livin' the best life there is
With Jesus Christ I've got relationship
Happiness on earth and then
Eternity spent with Him

As He saved my soul when I
(When I told him yes)
He gave me heaven's best
(Gave me heaven's best)

Now I live my life blessed
(I live my life blessed)

God gave me love and happiness
(Love and happiness)

He saved my soul when I
(When I told him yes)
He gave me heavenÃ¢â€Œ™s best
(Gave me heavenÃ¢â€Œ™s best)

Now I live my life blessed
(I live my life blessed)
God gave me love and happiness
(Love and happiness)

He saved my soul when I
(When I told him yes)
He gave me heavenÃ¢â€Œ™s best
(Gave me heavenÃ¢â€Œ™s best)

Now I live my life blessed
(I live my life blessed)
God gave me love and happiness
(Love and happiness)

He saved my soul when I
(When I told him yes)
He gave me heavenÃ¢â€Œ™s best
(Gave me heavenÃ¢â€Œ™s best)

Now I live my life blessed
(I live my life blessed)
God gave me love and happiness
(Love and happiness)

God gave me love and happiness
(Love and happiness)

God gave me love and happiness
(Love and happiness)

God gave me love and happiness
(Love and happiness)
