We've all got troubles  
We all make mistakes  
But let's not take a little river  
Turn it into a lake  
We've all been humbled  
We've lost and we've found  
But it can never get the best of us  
If we've not lookin' drown

And I wonder  
Are there others like me  
Yeah I wonder  
I've got the whole world left to see

Hey everybody  
If you listen to the beat  
We'll celebrate it now  
By strompin' our feet  
Hey everybody  
Do you know what I mean  
We can get it dirry  
While we're keepin it clean

Na Na Na Na.....

You've got it bad  
We'll she's got it worse  
She got no chocolate in the bank account  
No chesse in the purse  
You feel neglected with no self esteem  
Just when you finally found your glitter  
Someone's taken the gleam

And I wonder  
Why is life always this way  
Yes you wonder  
Could there be a brighter day

And I wonder wonder now  
(Can we work it out )  
And I wonder wonder now
