Hi, well, my name is Kelly
I love you, babe, love you, babe
I'm an, I'm a himaholic, this is my story
I need you, babe, need you

(Hi)
My name is
(Yeah)
My name is

Think I gotta problem
'Cause I can't go a day without him
'Cause my body starts breakin', I start shakin'
It's been too long

2 weeks, 4 days, 6 hours, 12 minutes
Since I had a little bit of hmm
You know what I mean, I can't break free
Is there any help for me?

Don't want no speech when I get weak
Don't want no preach when I feel heat
I can't hear you teach when I have needs
I need release

'Cause I'm a himaholic
(I had a relapse)
And I'm falling
(So when will I bounce back?)

I'm a himaholic
(Another setback)
The man's addictive
He's so addictive

A Himaholic
(I had a relapse)
And I'm falling
(So when will I bounce back?)

I'm a himaholic
(Another setback)

The man is toxic
The man is toxic

(Stop)
I wanna
(Don't)
I wanna

Don't come any closer to me
Heart is beating fast and I can't breathe
'Cause I'm not over, you are in my system
It's been too long

Your lips, your kiss, your touch
Can't think and now I wanna little bit of hmm
I can't break free 'cause I get so weak
Is there any help for me, ohh?

Don't want no speech when I get weak
Don't want no preach when I feel heat
I can't hear you teach when I have needs
I need release, oh

I'm a himaholic
(I had a relapse)
And I'm falling
(So when will I bounce back?)

I'm a himaholic
(It's another setback)
The man's addictive
He's so addictive

A Himaholic
(I had a relapse)
And I'm falling
(So when will I bounce back?)

I'm a himaholic
(Another setback)
The man is toxic
The man is toxic

Sometimes I cry a little
When I think about us, yeah
Inside I die a little
It's when I think of lost love, oh

All of the changes you put me through
I know you're no good for me, yeah
My mind says no and my body says yes

I feel like I'll never break free

I'm a himaholic
And I'm falling
(And when will I bounce back?)

I'm a himaholic
(It's another setback)
Man's addictive
So addictive

Himaholic
(And I had a relapse)
And I'm falling
(When will I bounce back?)

I'm a himaholic
(Another setback)
The man is toxic
The man is toxic
