Hey, guys
This is a story of me
And a man I knew was meant to be with forever
But he took me for granted
And I had to move on
So learn your lesson early
Listen to me
How does it feel now that you know
You could have had me, but you let me go
You're on the outside of your own world
'Cause someone else married (Mmm...hmm...)
Destiny said we were to be
But you tested fate so you could run free
And now you're watchin' in disbelief
While someone else is livin' your life with me
How does it feel (Woo...oh...oh...) now that you know
(Oh...ho...)
You could have had me, but you let me go (You let me
Go)
You're on the outside of your own world (Yeah, yeah)
'Cause someone else married (Married your girl)
All along you wasted time
Scared to settle down and make up your mind
But was it worth it all to do your do
To see him walkin' every day in your shoes
How does it feel (Oh...oh...) now that you know
(How...)
You could have had me, but you let me go (You let me
Go)
You're on the outside (You're on the outside) of your
Own world (Of your own world)
'Cause someone else married (Oh, he's livin' your
Life)
Your eyes, your kiss, your house, your cars
Your white picket fence around your green acre lawn
Just went too long before you were gone
You gave it away, oh, what a mistake (Oh...oh...ho...)
How does it feel now that you know (Oh, now that you
Know)
You could have had me (You coulda had me), but you
let
Me go (But you let me go, you let me go)

You're on the outside (Outside) of your own world (Of
Your own world)
'Cause someone else married (Someone else married
your
Only girl)
How does it feel now that you know (I said it before,
Said you heard it before)
You could have had me, but you let me go (But you
Walked away,
You're on the outside of your own world (Livin' your
Life, said he's lovin' your wife)
'Cause someone else married (He's wearin' your
shoes,
And it cuts like a knife)
How does it feel now that you know (Yeah...yeah, yeah)
You could have had me, but you let me go
(Hey...hey...)
You're on the outside (You're on the outside) of your
Own world (Of your own world, yeah)
'Cause someone else married (Yeah, yeah, yeah, yeah,
Yeah, yeah)
How does it feel now that you know
You could have had me, but you let me go
You're on the outside of your own world
'Cause someone else married
