She Couldn't Take It Anymore  
So She Got To Steppin' Out The Door  
So Many Years You Beat Her Down  
Now You've Got Another One  
Better Straighten Up  
There's A New Girl In Town

I Live Here Now  
The Other Woman Had To Leave  
'Cause She Was Trippin'  
Now The Right One Has Your Keys  
I Live Here Now  
And I'll Never Take From You The Things She Took  
That Just Won't Do

So Many Years She Lived For You  
So Many Tears She Cried Them Too (She Wet The  
Pillow)  
So Many Memories That Won't Erase Yes  
But She's Never Comin' Back  
Don't You Look For Her  
'Cause I've Taken Her Place

I Live Here Now  
The Other Woman Had To Leave  
'Cause She Was Trippin'  
Now The Right One Has Your Keys  
I Live Here Now  
And I'll Never Take From You The Things She Took  
That Just Won't Do

I Can't Be That Woman Who Let You Make Her frown  
I Can't Be That Woman Who Let You Break her down  
'Cause Now I See That I Deserve Better Than You've  
Given Me  
And More And More I Deserve More, I Deserve More

I Live Here Now  
The Other Woman Had To Leave  
'Cause She Was Trippin'  
Now The Right One Has Your Keys  
I Live Here Now

And I'll Never Take From You The Things She Took  
That Just Won't Do

I Live Here Now  
The Other Woman Had To Leave  
'Cause She Was Trippin'  
Now The Right One Has Your Keys  
I Live Here Now  
And I'll Never Take From You The Things She Took  
That Just Won't Do
