[Hook I]

If I Could Love You
If You Had Came Into My Life Before
If I Could Turn And Walk Away
I Would If I Could But I Can't So Please Understand

[Hook II]

If I Could Kiss You
If I Could Hold You In My Arms Awhile
If I Could Be With You Tonight
I Would If I Could But I Can't So Please Understand

[Verse I]

Baby, Baby, Baby
I've Been Wondering
Whatcha Doing Now
And How Your Life Has Been
And Now I See You Baby
Cuz You're Back Again
And You Wanna Know
If We Can Kick It Again?
But So Much Has Changed Now
I Gotta Man And Some Kids

I've Got Responsibilities
So I Can't Just Up And Leave
But I Wanted You To Know That

[Verse II]

It's Our Secret Baby
Is What You Said To Me
But There's Too Much At Stake
My Home, My Family
The Thought Is Tempting Baby
But I Won't Be Weak
Can't Go Out Like That
Never, No Way, No How Not Me!

[Bridge]

Another Life, Another Space
Another Time, Another Place
But Not Right Here And Now
I Gotta Honor My Sacred Vows
Passions High, Desire Strong
It's Feeling Right But This Is Wrong
And I'm Not That Kinda Girl
I Gotta Go Home To My World
