For all this time
I've been lovin' you girl
Oh yes I have
And ever since the day you left me here alone
I been tryin' to find
Oh, the reason why

Bridge: So if I did something wrong
Please tell me
I wanna understand
Cos I don't want
This love to ever end

Chorus: And I swear
If you come back in my life
I'll be there till the end of time
Oh yeah
(Come back to me, back into my life)
And I swear
I'll keep you right
By my side
Cos baby your the one I want
(Come back to me back into my life)
Oh, yes you are

I watched you go
Takin' my heart with you
Oh yes you did
Every time I tried
To reach you on the phone
Baby you're never there
Girl you're never home

Bridge.....
No, no, no, no

Chorus

Maybe I didn't know
How to show it
And maybe I didn't know

What to say
This time I won't disguise
Then we can build our lives
So we can be as one

Chorus X2
