"In The End"

It starts with one thing
I don't know why
It doesn't even matter how hard you try
I designed this rhyme
To explain in due time
All I know

Time is a valuable thing
watch it fly by as the pendulum swings
watch it count down to the end of the day
The clock ticks life away
It's so unreal

Didn't look out below
watch the time go right out the window
trying to hold on but didn't even know
wasted it all just to watch you go
i kept everything inside even though i tried
it all fell apart, what it meant to me will eventually be a
memory
of a time when....
(chorus)
I tried so hard, and got so far
but in the end, it doesn't even matter
i had to fall, to lose it all
but in the end it doesn't even matter

One thing i dont know why
It doesn't even matter how hard you try
keep that in mind, i designed this rhyme
to explain in due time
I tried so hard, in spite of the way you were mocking
me
acting like i was part of your property
remembering all of the times you fought with me
Im surprised i got so far
things arent the way they were before
you wouldn't even recognise me anymore
not that you knew me back then
but it all comes back to me (in the end)
You kept everything inside and even know i tried

it all fell apart
what it all ment to me will eventually be a memory of a
time

(chorus)

I've put all my trust in you
pushed as far as i can go
And for all this
there is only one thing you should know...

(chorus)
