Lp version

[intro]

This is a test

This is only a test

Boy, do you know

What I'm feeling

I'm overwhelmed by your lovin'

I can't deny

That I want you all the time

But I gotta know

What you're thinkin'

Hit it and run, real affection

Whatever it is

I won't let you waste my time

So how will I know

1 - baby with just a kiss

boy when you touch my lips

honey, I'll know for sure

boy, when my eyes meet yours

and if your love is true

I'll give to you my very best

just pass the test

Boy, when I love

It's completely

You'll do the same

If you want me

Can't be a fool

And just throw my heart away

But how will I know

How will I know

What you're feelin' is real

When you say you love me

And how will I know

If it's real

What you feel when you say you care

(oh, we'll put it to the test)

Repeat 1

Repeat 1

I've got a kiss on my lips  
And it's wearing your name  
So hold on, oh, here it comes  
I really wanna know  
It's really gonna show  
The way you feel inside  
No where to hide

Repeat 1 until fade

And I be smoking hay all day in the barn, damn it  
Darn, uh, kelly price be so hot

The m-i-s-s e make them scream  
And I'm a sho'nough be the boss on this team so  
So all you rap g'z gonna miss or make the green  
Make the money, do what they say so  
Even strip naked if it's bringing in the doe  
To let you know, I'm better than niggaz say so  
So if you hear them say that someone else is the best  
Come and give me a kiss, and put it to the test
