Here I am fateful I have always been I always been
fateful here again waiting while your wondering your
still wondering when is it going to in so we can be
happy boy

Chorus

I love you but I won't cry though im messed up and
broken inside until you want to do things right you can
be a little sumn sumn on the side

Your so cruel but I just can't get over you I really can't
get over you boy and I'm a fool a fool to be here with
you I'm right here with you here's what I'm going to do
until you be true true

Chorus

Ab-libing

Until you want to live this life you can be a little sumn
summ on the side until we are man and wife a little
sumn sumn

Something for me I love you boy and with out you but I
gotta do what I gotta do until you wanna do me right
you can be a little summ sumn on the side
