Featuring / montell jordan, sisqo, case,  
Dru hill, blackstreet, babyface,  
Tamar braxton, kandice love,  
Aaron hall & lov her

[aaron hall]  
Yeah  
When peeps give you love  
There's nothing in this world  
That could set you free, yeah  
Feel me? (def soul)  
Yo g

[case] (sisqo)  
Here I am all alone  
Can't let you get the best of me  
(gotta let you know, love sets you free)

[montell jordan]  
And these walls closing in  
Closing in slowly, yeah

[sisqo]  
But ain't no way they can hold me down  
I won't allow it  
Cause I believe, yeah

[montell, case, babyface, dru hill]  
I believe that love  
Love sets you free  
And it will take you higher, higher  
If you believe, oh yeah  
Kelly do you know?

[kelly price]  
Do you know what it's like  
When shackles are on your feet  
You're facing a hurricane  
One more chapter in your journey, yeah  
Break through darkness in my life  
Like sunshine (yeah)  
Now I believe

(I believe baby)  
Now I believe that love (yeah)

[kelly, tamar, lov her, kandice]  
Love will set you free  
I know it's gonna take you higher  
If you believe

You just believe  
And you will receive

[kandice love]  
I opened up with my heart  
There was no doubt  
That hatred pulls you in  
And love pulls you out  
If you believe in faith you will never fall  
Love will take you higher than any wall

[all]  
Love will set you free  
(if you believe in love)  
Higher  
(it will take you higher)  
If you just believe  
(and higher, oh love, love, love, love, love)  
Set you free

Love (believe it)  
Sets you free (love will set you free)  
Higher (we're gonna take you higher, yeah yeah)  
Just believe (love will, oh oh yeah)  
If you just believe

(ad lib while:)  
Only love can set you free  
Love will be everything you need  
A little faith, charity  
If you just believe

Open up, let it in  
It will change everything, really  
Love is life, love is free  
If you only just believe

Only love can set you free  
Love is free, let it be  
A little faith, charity  
If you just believe

Open up, let it in

It can change everything, really  
Love is life, love is free  
If you only just believe  
(love sets you free)
