(Chorus)

How does it feel now that you know
you coulda had me but you let me go.
Your on the outside of you own world
cuz someone else married.....

Destiny said we were to be,
but you tested fate so you could run free
And now you watchin in disbelief
while someone else is livin your life with me

How does it feel
now that you know
You coulda had me but
you let me go.
Your on the outside of your own world
cuz someone married.....

Married your girl.
All alone you wasted time
scared to settle down and make up your mind.
But was it worth it all to do your do.
to see him walkin everyday in your shoes.

(chorus)

Oh, he's livin your life.
Your life, your kids, your house, your car
your white pickett fence around the green acre lawn.
Was written long before you were born,
you gave it away, oh what a mistake.

(chorus)

now that you know,
you coulda had me but you let me go, you let me go
outside, of you own world,
someone marriend your only girl.
i said it before, you've heard it before
but you walked away the truth you wouldnt know.
living your life, he's lovin your wife,
he's wearin your shoes, and it cuts like a knife.
outside of your own world, yeah yeah yeah yeah.....

you know what, i cant even do this no more.
