Been looking for love  
I never could find it  
While I'm standing here  
And he is so blinded by her silly ways  
He just can't imagine  
She's playing a game  
A game that he played for so long, oh

I want him to know  
Just how much I love him  
I wanted to show  
But he just believes  
I'm a friend he can trust  
But I wanna touch him  
I love him enough  
To heal all the hurt in his heart  
Oh yes I do but how do I start

Mirror, mirror  
On the wall  
Can you tell me who to call?  
When the one I love  
Is loving someone who can't see  
Mirror, mirror  
On the wall  
Tell me if he'll ever fall so in love with me  
Or could it be it's just make believe

Boy I had a dream  
Or maybe a vision  
That I was your queen  
Cause I fit the slipper  
You took me away  
To happily ever  
We laughed and we made  
Sweet love till the sun came again  
Oh yeah we did, hmm  
But that was the end, oh  
Mirror, mirror  
On the wall  
Can you tell me who to call?  
When the one I love

Is loving someone who can't see  
Mirror, mirror  
On the wall  
Tell me if he'll ever fall so in love with me  
Or could it be it's just make believe

Oh, if you're looking for love  
It's right in your face  
I've been waiting for you  
So don't run away  
Fairy tales can come true  
If you believe  
(They can come true if you believe)

Mirror, mirror  
On the wall  
Can you tell me who to call?  
When the one I love  
Is loving someone who can't see  
Mirror, mirror  
On the wall  
Tell me if he'll ever fall so in love with me  
Or could it be it's just make believe

Mirror, mirror  
On the wall  
I wanna know, I wanna know  
Is he gonna know?  
That I'm loving him  
And I'm needing him  
Or will he love someone who can't see  
Mirror, mirror  
On the wall  
Mirror, mirror  
On the wall
