I couldn't bear t see the sunshine  
Not today pull out my sheets put down in bed  
To hide my pain and doing... worse medication  
That ain't the case see this feeling this suffering has no  
cure  
Worse got over me no one to blame but me I know I  
shouldn't have  
I gave you too much drama I wanna take it back  
Never really... this is crazy eyes wanna get back to me  
My heart won't leave me alone  
I keep falling for someone so cold  
It will be no sense I am leaving  
Come right back so frozen... where you left me at  
If you... seen enough I want my heart leave me alone  
All of... I can't rest any longer... still ain't get a call you  
ain't  
Picking up  
Now I am panicking for real grab my keys start the  
car... gas it's all I do  
Is too much for my heart to endure lord I bag you  
please

#### Chorus

I gave you too much drama I wanna take it back  
Never really... this is crazy eyes wanna get back to me

My heart won't leave me alone  
I keep falling for someone so cold  
It will be no sense I am leaving  
Come right back so frozen... where you left me at  
If you... seen enough I want my heart leave me alone

The day will come when you will regret the way you  
treated me  
I have been so good to you, you have taken advantage  
Cause I am so... or two the first thing I do is never  
forgive you again  
Cause you got me... and soul come back to you

#### Chorus

My heart won't leave me alone

I keep falling for someone so cold  
It will be no sense I am leaving  
Come right back so frozen... where you left me at  
If you... seen enough I want my heart leave me alone

My heart won't leave me alone  
I keep falling for someone so cold  
It will be no sense I am leaving  
Come right back so frozen... where you left me at  
If you... seen enough I want my heart leave me alone
