Captured effortlessly  
That's the way it was  
Happened so naturally  
I did not know it was love  
The next thing I felt was  
You holding me close  
What was I gonna do?  
I let myself go

And now we're flyin' through the stars  
I hope this night will last forever

I've been waitin' for you  
It's been so long  
I knew just what I would do  
When I heard your song  
Filled my heart with your bliss  
Gave me freedom  
You knew I could not resist  
I needed someone

And now we're flyin' through the stars  
I hope this night will last forever  
Oh oh oh oh

CHORUS:  
Ain't nobody  
Loves me better  
Makes me happy  
Makes me feel this way  
Ain't nobody  
Loves me better than you

I wait for night time to come  
And bring you to me  
Can't believe I'm the one  
I was so lonely  
I feel like no one could feel  
I must be dreamin'  
I want this dream to be real  
I need this feelin'

I make my wish upon a star  
And hope this night will last forever  
oh oh oh oh

#### CHORUS

And first you put your arms around me  
Then you put your charms around me  
I can't resist this sweet surrender  
Oh my nights are warm and tender  
We stare into each other's eyes  
And what we see is no surprise  
Got a feeling most with treasure  
And a love so deep we cannot measure

CHORUS til end- ad lib
