### Verse 1

Forgetting the old and starting things  
Brand new the past is gone and the future's  
Here for you this christmas  
The world's a little kinder too cause everybody  
Observes the golden rule at christmas

### Chorus

Love's unconditional and we're all emotional because  
Our hearts have been made new. love's unconditional  
and  
We're all emotional because or hearts have been made  
new

### Verse 2

Give thanks to God for where he's brought us from,  
He's given us blessings, he's given us his son this  
Christmas. i want the gifts and the finer things but  
I know better that love is what we need at christmas.

### Chorus

Love's unconditional and we're all emotional because  
Restorations come (repeat) because the family is one

### Vamp

We are one family through the year not just christmas.
