Kelly price feat/shawn smith
I need healing....

1 - I need a healing for my soul
So give me a healing for my soul

Repeat 1

I need healing

[kelly] hello?
[shawn] kelly?

Just for my soul
I need healing
Yeah, yeah

[kelly] hello
[shawn] kelly, please don't hang up
[kelly] look, I don't have time for this, alright?
[shawn] listen, I've heard everythign you said today
I don't understand what it is you need from me
Just, please....
Let me come by so we can talk?
[kelly] whatever

Just for my soul
Repeat 1 while:

[kelly] I must be crazy
What was I thinkin'?
I should have just told him he couldn't come
I won't open the door when he gets here
that's all
I just won't open the door
He knows I'm here though
Oh god
I'm just so tired of this

[kelly] alright, alright, alright
[shawn] damn, I thought you wasn't gonna let me in,
sweetheart

[kelly] you almost thought right
How'd you get here so fast anyway?
What'd you do, fly?
[shawn] why you always gotta be so sarcastic towards
me, sweetheart?
Listen, I didn't come here to argue
I didn't come here to fuss or fight
I came here to make things right
I want you to know that I understand what I did
And I wanna make things better between me and you
[kelly] how you figure you can do that?
[shawn] well, I can start by saying that I love you
I mean, ah.....
[kelly] I've heard that before
[shawn] I don't know what to say, um, this is....
I know I did so many things wrong, but..
[kelly] I don't believe you
[shawn] i, I love you, I really do
Can you take me back, please?
Take me back
I love you, I want you back
I miss what we had, me and you, I ...
I can't eat, I can't sleep
Baby, please, please
I'll die tryin', baby
I, I love you, please, please
I wanna heal your soul
At least I can help
Baby, please
[kelly] I don't know, I don't know
[shawn] please, please, I love you
[kelly] I don't know, I don't know
[shawn] baby, please, I love you
I want you, I miss you
[kelly] I don't know, I need some time
[shawn] time, baby? I need you

Repeat 1 until fade
