What a feeling
It's never been so easy
When I'm dreaming
Summer dreaming
When you, what a feeling
It's never been so easy
When I'm dreaming
Doing things that feel so good

Come on over, let's have some fun
Dancing in the morning sun
Looking to the bright blue sky
Come and let your spirit fly
You're, living it up this brand new day
Summer sun, it's time to play
Let yourself go go go
Doing things that feel so good

What a feeling
It's never been so easy
When I'm dreaming
Summer dreaming
When you, what a feeling
It's never been so easy
When I'm dreaming
Doing things that feel so good
