I, I wasn't even searching for love
That's usually right when it creeps up on you
And I know, in my heart it's true
Oh yeah...

Boy you got my attention, what's up?
My heart is beating
Your screaming's got me open so much
I think I'm dreaming
Got my hands way up,
I surrender to love

[Chorus]

What a feeling
To let it all go
What a feeling
I'm losing control
What a feeling
Feels like I'm on top of the world
What a feeling, what a feeling

[Kelly Rowland - Verse 2]

I, I used to think I'd never fall in love
It's like my favourite star
I used to stare at every night
Came down from the sky
Oh yeah...

When I love the way you touch
My heart is beating
Boy I just can't get enough
You've got me speechless
Got my hands way up
I surrender to love

[Chorus]

What a feeling
To let it all go

What a feeling
I'm losing control
What a feeling
Feels like I'm on top of the world
What a feeling

What a feeling
To let it all go
What a feeling
I'm losing control
What a feeling
Feels like I'm on top of the world
What a feeling, what a feeling

Ooooh, what a feeling
What a feeling
What a feeling, ooh!

What a feeling
To let it all go
What a feeling
I'm losing control
What a feeling
Feels like I'm on top of the world
What a feeling

What a feeling
To let it all go
What a feeling
I'm losing control
What a feeling
Feels like I'm on top of the world
What a feeling, what a feeling
