It's complicated,
It always is,
That's just the way it goes.

Feels like I've waited so long for this,
I wonder if it shows.

Head under water,
Now I can't breathe,
It never felt so good.

Cause I can feel it coming over me,
I wouldn't stop it if I could.

[Chorus:]
When love takes over,
Yeah,
You know you can't deny.
When love takes over,
Yeah,
Cause something's here tonight.

Give me a reason,
I gotta know,
Do you feel it too?

Can't you see me here on overload,
And this time I blame you.

Mmmm
Lookin' out for you to hold my hand,
Feels like I could fall.

Now love me right,
Like I know you can,
We could lose it all.

[Chorus:]
When love takes over,
Yeah,
You know you can't deny.

When love takes over,
Yeah,
Cause something's here tonight.

Tonight tonight tonight tonight [x4]

And I-I-I-I-I-I-I will be loving you all the time
It's true

Cause I-I-I-I-I-I-I love the way you make me cry
I do

When love takes over [x7]

Over [x8]
Over (Over-over-over)

[Chorus]
