You made my day  
You came my way  
You heard me every time I pray  
You gave me peace  
You gave me grace  
You put a smile upon my face

You brought the sunshine in my life  
You are the lifeline  
Since that I have found Christ  
There has been such a change in my life

You made my day  
You came my way  
You heard me every time I pray  
You gave me peace  
You gave me grace  
You put a smile upon my face

You brought the sunshine  
You are the lifeline  
Since that I have found Christ  
There has been such a change in my life

You made my day  
You came my way  
You heard me every time I pray  
You gave me peace  
You gave me grace  
You put a smile upon my face

You brought the sunshine  
You are the lifeline  
You brought the sunshine  
You are the lifeline  
Since that I have found Christ  
There has been such a change in my life

I'm a witness that Jesus  
He'll make a difference in your life  
I'm a witness that Jesus  
He'll make a difference in your life

'Cause amazing grace  
How sweet the sound that saved a life like me!

You brought the sunshine  
You are the lifeline  
You brought the sunshine  
You are the lifeline  
Since that I have found Christ  
There has been such a change in my life

I'm a witness that Jesus  
He'll make a difference in your life  
I'm a witness that Jesus  
He'll make a difference in your life

I'm a witness that Jesus  
He'll make a difference in your life  
I'm a witness that Jesus  
He'll make a difference in your life

Amazing grace  
How sweet the sound that saved a life like me!

You made, You made my day  
You came, You came my way  
You made my day  
Oh you you you you gave me grace  
You gave me peace  
When the storms were raging you set me free

You made, You made my day  
You came, You came my way
