[verse1:]

you speak only what you hear
easily influential
so secluded no one's near
this home's full of rituals
your mother's goin on strike
tired of preaching sermons and
father's vacation tonight
is somewhat permanent

[chorus]

i gotta go
to somewhere beyond imaginations flow
hear my tone
it says i am alone

[verse2:]

your life seems dysfunctional
it only acts what you show
you're your own psychiatrist
a slight minute from quitting
showing signs of depression
life's falling over and crashing
your heat burns through life lava

and rapes your problem solver, now go

[chorus:]

i gotta go
to somewhere beyond imaginations flow
hear my tone
it says i am alone

[bridge:]

a hideout
manifest stability
let go of doubt
getaway
no flaws will inject or exit my
present place
i gotta burn
experience only allows what i will learn

hear my tone
it says i am alone, yeah.....

[vamp]
na, na, na, na, na
na, na, na, na, na
na, na, na

i hear your tone
and you're so not alone
you're so not alone
