Broken, Broken
How could you leave me
Broken, Broken

[Verse 1:]

I can say i erased you from my mind
And never think of you
And forget about the friends we made
If thats what i need to do
You can act like the only way that you exist is in a
dream
Its the only way out of my reality
I can change the channel everytime our favorite show
comes on
And get mad at the radio cuz they just played your
favorite song
I could find another guy and try to love you out of my
life
But it just gets harder everytime we try
Ohh thats why im

[Chorus:]

Broken
And its hurting me boy cuz you just left me
Broken
And because of you i dont know if i can
Love again
But i cant believe boy that this is the end (this is the
end)
Be together once again
Cause boy im broken

Broken, Broken
How could you leave me
Broken, Broken
How could you leave me

[Verse 2:]

I can take the pictures that we took and throw them all
away (All away)
And every letter that you wrote boy i want to forget
what you had to say (What you had to say)

Cuz i could never understand what you did to me on
that day
Thats the only part i wish i could replace
Cant you see im

[Chorus]

[Bridge:]
Ohh if i had a choice
Baby you'd still be right here with me
And if you give me a voice
Baby i'd tell you i dont want you to leave
Cuz boy im broken

Broken, Broken
How could you leave me (how could you leave me)
Broken, Broken
How could you leave me
Ohh cant you see im

[Chorus:]
Broken
And its hurting me cuz you just left me
Broken
And because of you i dont kno if i can
Love again
I just cant believe that this is the end (this is the end)
Dont wanna feel this way again
I can find another man
I dont wanna be broken
