(kelly)

I love you and I need you  
Nelly, I love you, I do,  
Need you

No matter what I do...  
All I think about is you  
Even when Im with my boo  
Boy, you know Im crazy over you

No matter what I do  
All I think about is you  
Even when Im with my boo  
You know Im crazy over you

(nelly)

Uh-uh  
I met this chick and she just moved right up the block  
from me  
And she got the hots for me, the finest thing my hood  
did see  
But oh, no, no, she got a man and a son oh-oh, but  
that's okay  
Cuz I wait for my cue and just listen, play my position  
Like a shortstop, pick up erylthing mami hittin  
And in no time I better make this lil hun mine and that's  
for sure  
Cos i-i never been the tye to break up a happy home  
But uh there's something bout baby girl, I just can't  
leave her lone  
So tell me, ma, what's it gonna be  
She said, you don't know what you mean to me,

No matter what I do  
All I think about is you  
Even when Im with my boo  
Boy, you know Im crazy over you

No matter what I do  
All I think about is you  
Even when Im with my boo

You know Im crazy over you

Uh-uh-uh-uh

I see a lot in your look and I never say a word  
I know how niggas start actin trippin , and hate up all  
the girls  
And there's no way nelly go for it  
Aint fightin ova no dame, as you could see  
But I like your steeze, your style, your whole demeanor  
The way you come through and holler, and swoop me  
in his two-seater  
Now that's gangsta and I got special ways to thank ya,  
Don't you forget it  
But uh it aint that easy for you to back up and leave him  
But uh you and me we got ties for different reasons  
I respect that and right before I turned to leave  
She said, you don't know what you mean to me, come  
on

No matter what I do  
All I think about is you  
Even when Im with my boo  
Boy, you know Im crazy over you

No matter what I do  
All I think about is you  
Even when Im with my boo  
You know Im crazy over you

Sing it for me, kelly

I love you and I need you  
Nelly, I love you, I do  
And it's more than you'll ever know  
Boy, it's for sure  
You can always count on my love  
Forever more, yeah, yeah

East coast, I know you're shakin right  
Down south, I know you're bouncin right  
West coast, I know you're walkin right  
(cos you don't know what you mean to me)  
Midwest, I see you swingin right

No matter what I do  
All I think about is you  
Even when Im with my boo  
Boy, you know Im crazy over you

No matter what I do  
All I think about is you

Even when Im with my boo  
You know Im crazy over you

East coast, I know you're shakin right  
Down south, I know you're bouncin right  
West coast, I know you're walkin right  
(you don't know what you mean to me)  
Midwest, I see you swingin right

East coast, you're still shakin right  
Down south, I know you're bouncin right  
West coast, I know you're walkin right  
(you don't know what you mean to me)  
Midwest, you're still swingin right

No matter what I do  
All I think about is you  
Even when Im with my boo  
Boy, you know Im crazy over you

No matter what I do  
All I think about is you  
Even when Im with my boo  
You know Im crazy over you

Yeah, yeah

East coast, I know you're shakin right  
Down south, I know you're bouncin right  
West coast, I know you're walkin right  
(you don't know what you mean to me)  
Midwest, I see you swingin right

East coast, you're still shakin right  
Down south, I see you're bouncin right  
West coast, I know you're walkin right  
(you don't know what you mean to me)  
Midwest, you're still swingin right.
