[Intro: Da Brat]

Welcome to the wonderful world of Miss Kelly Rowland
And I'm your host Da Brat tat-tat
SoSoDef is in the building
Yeah!

[Rap: Da Brat]

I gotta shake you off
You like a bad habit that I gotta break so I'm taking off
Forsaking it all, all in ya face
At point blank range don't play with my heart
I was loyal, I was kind
I was a fool cause I was blind
Thought I was the one me the two
I was three times a lady for you
Creepin' in and out, sleeping all around
Think you a balla now?
I gotta trick for that booty
You a thing in the past
Where ya *** callin' now
You'll never find another peach that's sweet as mine
Another river that's deep as mine
What you lose somebody else gon' find

[Verse 1: Kelly Rowland]

Late night I hear you creepin'
4 A.M. footsteps laying there with the man I'm sleeping
Laying there wondering (wondering)
Where you been
Wondering who she is
I wonder why you wake up, get dressed and step right
outta here
This has gotta end
A fight we'll never win (win)
It's just too deep to miss (miss)
I guess I'm too far in
If I continue to stay with you (you'll do it again)
I know you'll do it again
Yeah, you'll do it again

[Hook: Kelly Rowland]

Never thought I could leave ya

Had to take back the rest of me
To get back the best of me
And no longer make believe
I tried to stay with you
But you never worked it out
You gave me strength to leave (leave)

[Chorus: Kelly Rowland]
Ladies, if you feel me say
Hey-yo, hey-yo
If ya fed up say
I can't do this no more
Ladies, if you feel me say
Hey-yo, hey-yo
Charge it to the game
Tell 'em you gotsta go
Whoa-o (whoa-o), whoa-o (whoa-o)
Whoa-o (whoa-o), whoa-ho (whoa-ho)
Whoa-o (whoa-o), whoa-o (whoa-o)
Whoa-o (whoa-o), whoa-ho (whoa-ho)

[Verse 2: Kelly Rowland]
For a second you had me down
But now I'm doing fine
(boy, you thought I would take you back)
But it won't happen this time
Cause all the times that I took you back
The times couldn't find your ass
(from calls from the chicks you had)
This part of the story is only half
(see me in the club) See me in the club
(I was looking fine) I was looking
(seen you in the club)

(with a lot on your mind) Yeah
Now don't you get mad (no)
Why you look so sad
Still wish you was my man
Boy, don't you make me laugh

[Hook: Kelly Rowland]
Never thought I could leave ya
Had to take back the rest of me (rest of me)
To get back the best of me (best of me)
And no longer make believe
I tried to stay with you (I tried to stay with you)
But you never worked it out (uhh)
You gave me strength to leave (leave)

[Chorus: Kelly Rowland]
Ladies, if you feel me say (ladies if you feel me say)

Hey-yo, hey-yo
If ya fed up say (if you can't do this no more)
I can't do this no more
Ladies, if you feel me say (if you feel me say)
Hey-yo, hey-yo
Charge it to the game (charge it to the gaaaaame)
Tell 'em you gotsta go
Whoa-o (whoa-o), whoa-o (whoa-o)
Whoa-o (whoa-o), whoa-ho (whoa-ho)

[Rap: Da Brat]

I used to bite my tounge
Cause I ain't wanna say nuttin that'll mess us up
I ain't wanna make you mad
And risk losing everything we had
But you got so outta control
And I hurt so bad that it felt like a hole in my soul
Had to let you go
Since you was tricking I'ma let you know
I gotta couple of homies that wanna get at you
And pull the trigger so you don't hurt me no more
But see I got this I ain't your average chicken
I drop, kick 'em and I pop this
Peaches roll and pour out a lil' liquor
Make a toast to my new n**** (yeah!)
Brag and boast cause I'm big, better
Do I wanna get back together? Never!

[Brigde: Kelly Rowland]

Neveeeeeer!!!
You always messed around (you always messed
around)
Constantly put me down
Convinced me to stick around (tried to put me down)
You always had me down
Thought you would break me down (thought you would
break me down)
Come take a look around
Look who's alone now
I'm gone!

[Chorus: Kelly Rowland]

Whoa-o (whoa-o), whoa-o (whoa-o)
Whoa-o (whoa-o), whoa-ho (whoa-ho)
Whoa-o (whoa-o), whoa-o (whoa-o)
Whoa-o (whoa-o), whoa-ho (whoa-ho)

[Hook: Kelly Rowland]

Never thought I could leave ya
Had to take back the rest of me
To get back the best of me

And no longer make believe
I tried to stay with you
But you never worked it out
You gave me strength to leave
