Look in my eyes

What do you see?

Only me

Got nothing to hide

Seek and you'll find

What's on my mind

It's happened so fast

Not a part of my plan

So I'm leaving my heart in your hands

(Chorus)

Haven't told you

Just how much I love you

Only 'bout dreaming

I show my feelings

Haven't told you

Just how much I love you

Time for revealing

And I will give something too

A love from me to you

Look in my eyes

You know me so well

Can't you tell that I
Am way too deep
I'm going down
So catch me now
It happened so fast
Not a part of my plan
Now I'm leaving my heart in your hands

(Chorus)

(Bridge)

I feel you
Everyday
I breathe you
Every single moment from the start
I see you
Constantly
I feel you
You move me so
No letting go
You smile at me
My heart is yours to keep

(Chorus til end)
