Mmmhmmmm.. mmmmmmm..  
Ohh yea yea yea  
Ohhhh.. mmmm-mmmhmmmm  
I'm movin.. higher ground..

(Ohh) I'm movin on (mmhmm) can't nothin stop me now  
(Mmm-yeah) I'm pressin on (higher ground) to higher  
ground  
(MMMM!) Each step I take (oooooh) is a new dawning of  
(Ohh, oh-ohh) A brand new day (higher ground) for  
higher ground

Obstacles and situations, people places and things  
I must overcome, cause there's a battle to be won  
With my mind set on higher things  
These things have become my footstool  
I'm determined to reach my goal  
I need peace for my soul

(Ohh) I'm movin on (that's why I'm movin on) can't  
nothin stop me now  
(I'm pressin on) I'm pressin on (to higher ground) to  
higher ground  
(MMMM!) Each step I take (each step I take) is a new  
dawning of  
(For my higher place) A brand new day  
(On my higher ground) for higher ground

I'm pressin on, the upward way  
Brand new heights I'm gaining, eeeeeveryday  
No higher place, that I really have found  
(Lord plant my feet on) plant my feet on (On higher  
ground)  
Forgetting what (forgetting what, is already behind me)  
Is already be, ohhhh-oooooh-ohhhhohwhoahhhhh  
(I'm moving forward) Moving yahyeahh (for what's  
ahead)

I'm moving on.. can't nothin stop me now (nothing's  
gonna stop me)  
I'm pressing on.. to higher ground (yeah yeah yeah)

yeah)  
Each step I take (ohhhh hohhhh) is a new dawning of  
(yes it is)  
A brand new day (yeahhhh) for higher ground

The race is not given to the swift  
Nor the battle to the strong only  
But instead (??? ???)  
But we gotta stay strong and fight on  
Sometimes you feel like your foot might slip  
Cause it's too much goin on  
Just realize your goal is greater than your struggle  
Just hold on and be strong

I'm moving on.. (I'm moving on) can't nothin stop me  
now  
(nothing, no-no-no)  
I'm pressing on.. (ooohooohoo) to higher ground  
(oahhyeahyeahh)  
Each step I take (oh is the dawning of a new day)  
Is the new dawning of (???)  
A brand new day (yeahhyeahh) for higher ground

I'm moving on.. can't nothin stop me now  
I'm pressing on.. to higher ground  
Each step I take.. is a new dawning of  
A brand new day.. for higher ground

Be strong, and fight on  
But by all means, keeeeeeeeeeeep moving

[Missy] I'm a witness (I'm a witness) for Jesus (nobody  
but Jesus)  
[Missy] When I was down, and no one was there  
[Missy] He picked me up, and he carried me  
[Missy] I'm a witness (I'm a witness) for Jesus (nobody  
but Jesus)  
[Missy] When I was down, and no one was there  
[Missy] He picked me up, and he carried me
