Kelly

ohhhhh yeah yeah

I know you rise

in the morning sun

i feel you touch me in the pouring rain

and the moment that the ones afar

are far from me

I want to feel you in my arms again

Micheal

And you come to me

on a summer breeze

keep me warm in july

and then soften me

Kelly and Micheal

Chorus

And it's me you

need to show

HOW DEEP IS YOUR LOVE

how deep is your love, how deep is your love

I really need to learn

cause we living in a world of fools

breakin us down

when they all shoould let us be

we belong to you and me

I believe in you

you know the door too my very soul

you the light in my deepest darkest hour

your my saviour when im lost

And you may not think that i care for you

when you know inside

that i really do

Chorus

Taa dii daa dii daa

Taa dii daa dii da

And you may not think that i care for you
when you know inside
that i really do

Chorus
(till end)
