They say true love  
Is enough  
Forever, forever  
Then I stay here  
In your arms  
Forever, forever

Not a thing in this world, I won't give up  
Can't live in this world if I'm not next to you, to you, to  
you  
Just a plain old girl, I don't need nothing  
They say I got it all, but they don't know that all is you,  
is you

So don't give you love away, away, away, away  
ohwaho, ohwah  
And I won't give you love away, away, away, away  
ohwaho, ohwah  
We just keep it between us  
We just keep it between us  
We just keep it between us  
We just keep it between us

Can't see myself  
With no one else  
No never, no never  
I can make it through

The words with you  
So what ever, So what ever

Not a thing in this world, I won't give up  
Can't live in this world if I'm not next to you, to you

So don't give you love away, away, away, away  
ohwaho, ohwah  
And I won't give you love away, away, away, away  
ohwaho, ohwah  
We just keep it between us  
We just keep it between us  
We just keep it between us  
We just keep it between us

Know that I won't ever hurt ya  
And I don't think nobody else deserve ya  
And I don't think I can say  
Nobody else here with me  
Promise to love ya and cherish and nurture  
When the time is right we can take futher  
Long as I know that you are here to stay  
And that you won't give your love away

(Don't give you love)away,(Don't give you love)  
away,(Don't give you love) away, (Don't give you  
love)away(no no don't give away) ohwaho, ohwah  
And I won't give you love away,(Don't give you love)  
away, (Don't give you love)away, (Don't give you  
love)away(no no don't give away) ohwaho, ohwah
