Hello, no love  
Well, you be it  
I'm just saying that it's been a while  
I didn't know if I would see you again!  
You still looked good after so long  
I know I said I was done with you  
Cause the last time you did me wrong.

Jealous back then, now I'm better  
Got myself together, now I'm down for whatever  
I'm tired of being single, we should get together  
Birds of a feather, we should be forever  
Cause I ain't trying to be hurt no more  
I rather be with you this time, I'm sure  
Back then I didn't know what it was  
That's why I kept on messing it up  
Right now I'm looking for love

Chorus:

I'm looking for love, I'm looking for love, yeah!  
I'm looking for love, I'm looking for love  
I'm looking for love, I'm looking for love  
It was a chance to be cool, and it wasn't enough  
It was time to be real, now I'm looking for love!

Where you hide love? Come back to me!  
I know I said I was done with you  
Cause the last time you did me wrong!

Jealous back then, now I'm better  
Got myself together, now I'm down for whatever  
I'm tired of being single, we should get together  
Birds of a feather, we should be forever  
Cause I ain't trying to be hurt no more  
I rather be with you this time, I'm sure  
Back then I didn't know what it was  
That's why I keep messing it up  
Right now I'm looking for love

Chorus:

I'm looking for love, I'm looking for love, yeah!

I'm looking for love, I'm looking for love  
I'm looking for love, I'm looking for love  
It was a chance to be cool, and it wasn't enough  
It was time to be real, now I'm looking for love

Hey love, what you're running from?  
It's OK cause it's you I want, I'm looking for love!  
Hey love, what you're running from?  
When you know it's only you I want

Chorus:

I'm looking for love, I'm looking for love, yeah!  
I'm looking for love, I'm looking for love  
I'm looking for love, I'm looking for love
