[Verse 1:]

It was not your fault  
I had you loved then lost  
Cause of what was done to me by another man  
Yes i know what could've been  
But i assumed if i let you in  
You'd come along and only hurt me again

[Chorus:]

See i tried to love you, tried to love you  
But i can't  
I was wrong about you, wrong about you  
Understand  
How i need to love you, need to love you  
But i can't  
Try another love again  
I don't want to love again  
Nooooo

[Verse 2:]

All these walls ive build  
They were build to keep you out  
And now i sit alone bcuz i only boxed myself in  
Now before i could dry my face  
Before the broken heart could mend  
I didnt want to fall vitcim to hoping again

[Chorus:]

See i tried to love you, tried to love  
But i can't  
See i was wrong about you, wrong about you  
Understand  
How i need to love you, need to love you  
But i can't  
Try another love again  
I don't want to love again  
Nooooo

[Bridge:]

Maybe, Maybe baby  
Not another space another time  
Would have loved you first cuz this feel right

Ohh maybe, Maybe baby  
Not another season of my life  
Would have had my whole heart, my soul, and my mind  
But i cant change the past  
I could look away  
Just blame it on all the pain he gave  
Cause i kno ive tried  
Yes i kno i trrrriieeeeeedddddeeeeeedddddded

[Chorus:]

See i tried to love you  
(But i cant) But i cant  
See i was wrong about, wrong about you  
(Understand) Understand  
How i need, i need to love you  
Ohhh But i cant  
Try another love again  
I dont want to love again  
Noooooo
