Its complicated, it always is  
That's just the way it goes  
Feels like the way it is so long for this  
I wonder if it shows  
And under water now i can breath  
It never felt so good  
Cause i can feel it coming over me  
I wouldn't stop it if i could

Chorus

When love takes over yeaaah  
You know you can't deny  
When love takes over yeaaah  
'Cause something's here tonight

Give me a reason I gotta know  
Do you feel it too?  
Cant you see me here on overload  
And this time I blame you  
Hmm looking out for you to hold my hand  
It feels like I could fall  
Now love me right, like I know you can  
We could lose it all

Chorus

When love takes over yeaaah  
You know you can't deny  
When love takes over yeaaah  
Cause something's here tonight

(tonight, tonight, tonight, tonight ....)

I'll be loving all the time, it's true  
Cause I want to make it right with you

When love takes over, when love takes over  
When love takes over, when love takes over ...  
Over, over, over ....

Chorus

When love takes over yeaaah

You know you can't deny  
When love takes over yeaaah  
'Cause something's here tonight
