DANCE

I feel like the DJ is my bodyguard
You see the way he keeps me safe
With the treble and that bass
I feel free enough to party hard
This dress won't go to waste
Feels like I own the place
V.I.P to to be the boss
You see the way these people stare
Watching how I fling my hair
I'm a dancefloor lover
Baby there's no other
Who do it like I do it yeah

[Chorus]

From here on out
I'll be your commander
No fear no doubt
I'll provide the answer
Right now I command you to dance
I'll be your commander
Right now I command you to dance
I'll be your commander
Right now I commander
Right now I command you to...

I- I'll be your commander I'll provide the answer

[Verse 2]

Ain't no reason to celebrate
But you know we gon' have a ball

I just give my driver a call yeah (Tell him) Pick me up at 8am No we ain't stopping right here We'll take the party to the crib Let's go all night baby You won't find no lady Who does it like I does it yeah

[Chorus]
From here on out
I'll be your commander
No fear no doubt
I'll provide the answer
Right now I command you to dance
I'll be your commander
Right now I command you to dance
I'll be your commander
Right now I command you to...

It's jam packed
So DJ where you at?
I know you got my back
So make that bass attack
Let's make these people move
You know I need some room, to
Do what I do, I'm bout to act a fool
Turn the lights on

[Chorus]
From here on out
I'll be your commander
No fear no doubt
I'll provide the answer
Right now I command you to dance
I'll be your commander
Right now I command you to dance
I'll be your commander
Right now I command you to...

I-I'll be your commander I'll provide the answer.
