[Kelly Rowland]

Go, go, go, go

(Remix)

Go, go, go, go

[Busta Rhymes]

Baby, I love the way we act so civil with eachother

We can giggle with eachother, we can nibble on  
eachother

When we make love, the way that we be crippling each  
other

Got me feeling like you really dipping me in butter

Closing every door and I be closing every shutter

Loving every single thing about us now

Especially how you want me to come and meet ya  
mother

Baby please, make no mistake

Every single little thing about you great

You know you already belong to me baby

But I'd rather leave it in the hands of fate

Mommy know you motivate me to be your one man  
team...

willing to protect you, lay you down and quickly taste  
your cream filling

[Kelly Rowland]

And when were done, I don't wanna feel my legs

And when were done, I just wanna feel your hands all  
over me baby

You can't stop there, music still playin' in the  
background

And you're almost there

You can do it, I believe in you baby

So close from here

So baby I'mma be your motivation

Go, go, go, go

Motivation

Go, go, go, go

[Trey Songz]

Girl I'mma beat it like a drum, make your back go  
When I start to go under  
Now your turn, go low with it  
Show that you know what to do with it  
Got you all tongue tied like I-I-I-I  
Girl I'mma fool with this  
You make me work harder  
When you say my name  
Yeaaaah  
It's not over, 'til I make you rain, nooo  
(And when we're done)  
You gon need to fix yo hair  
(And when we're done)  
I leave traces of your kiss all over me baby  
(You can't stop girl) No I can't stop girl  
No lover  
Music's still playing in the background  
Kelly  
I'm almost there  
(You can do it, I believe in you baby)  
Got ya heels in the air  
Goooo,  
You my motivation

[Fabolous]

It's Loso, see I got mind control  
When Kelly Rowl' come around I be quiet  
When she leave I be talking again

I'mma take it there, you just give me your location  
I got no more patience  
Slow rotation  
Keep it clapping for me girl, more ovation

Motivational speaker that's uses body language  
And I read it well, them other boys ain't literate  
I follow what you sayin', you ain't got to twitter shit

[Kelly Rowland]

And when were done, I don't wanna feel my legs  
And when were done, I just wanna feel your hands all  
over me baby  
You can't stop there, music still playin' in the  
background  
And you're almost there  
You can do it, I believe in you baby  
So close from here

Baby I'mma be your motivation

Go, go, go, go
