Oh lover, don't you dare slow down
Go longer, you can last more rounds
Push harder, you're almost there now
So go lover, make mama proud
And when were done, I don't wanna feel my legs
And when were done, I just wanna feel your hands all
over me baby
You can't stop there, music still playin in the
background
And youre almost there
You can do it, I believe in you baby
So close from here

So baby I'mma be your motivation
Go, go, go, go
Motivation
Go, go, go, go

Oh Lover, when you call my name
No other, can do that the same, no
I won't let you, Get up out that game, no
So lover, dont it make me rain

And when were done, I don't wanna feel my legs baby
And when were done, I just wanna feel your head so
lower me baby
You can't stop there, music still playin in the
background
And you're almost there
You can do it, I believe in you baby
So close from here

Baby I'm a be your motivation

Go, go, go, go
Motivation
Go, go, go, go

Uh, girl I turn that thing into a rainforest
Rain on my head, call that brainstorming

Yeah this is deep, oh, I go deeper
Make you lose yourself, and finders keepers
It go green light, go Weezy go
I like to taste that sugar, that sweet and low
But hold up wait, new position
I put her on my plate then I do the dishes
She my motivation, I'm her transportation
Cause I let her ride, while I drive her crazy
Then I just keep going going, like I'm racing
When I'm done she hold me like a conversation
Weezy, baby
