Haul Out The Holly  
Put up the tree before my spirit falls again  
Fill up the stocking but deck the halls now

For we need a little christmas  
right this very minute  
Candles in the window  
Carols at the spinet  
Yes, we need a little christmas right this very minute

It hasn't snowed a single flurry  
But santa dear we're in a hurry

Climb down the chimney  
Turn on the brightest string of lights I've ever seen  
Slice up the fruit cake  
It's time we hung some tinsle on that evergreen bough

For I've grown a little leaner  
Grown a little colder  
Grown a little sadder  
Grown a little older

And I need a little angel  
Sitting on my shoulder  
Need a little CHristmas now

For we need a little music  
Need a little laughter  
Need a little singing  
Ringing through the rafter

And we need a little snappy  
"Happy ever after"  
Need a little Christmas now
