Two distant hearts on a map, both going nowhere fast,  
Late for an appointment they end up together in a city  
cab,  
They share a fare and some friendly conversation,  
That's no coincidence that's love,  
She scrambles through her purse  
He rushed in through the front  
Looking for change  
There a few bucks in the back of the restaurant,  
They start to dance til this day their still dancing  
That's no coincidence that love  
(chorus)  
It's amazing  
It's perfection  
How each little bit of star makes up one big  
constellation  
Of people getting connected,  
It's truly heaven sent it's evident that love is no  
coincidence  
He snapped a photograph, she took a sonogram,  
She didn't tell him, he shipped off to war in a foreign  
land  
Left home a soldier, but came back a father  
That's no coincidence that's love  
Somebody crashed her car  
Hes got a failing heart  
One thing can save her  
An operation neither can avoid  
With true hesitation to families get acquainted  
That's no coincidence that L O V E  
(chorus)x2  
How we intertwine is divine extraordinary  
Open your eyes and you'll find it's involuntary  
Seasons have reasons for changing  
So that everybody can find love find love again  
And again and again and again  
(Chorus)x2
