The music goes on and on and on  
This is my favorite song  
Turn it up  
We can go on and on and on

Let's try to pick up  
Right where we left off  
If the rhythm finds you  
Then you won't be lost

When I hear the sound  
It's like it calls my name  
Cuz it's all around  
From now 'til forever  
The music goes...

The music goes on and on and on  
This is my favorite song  
Turn it up  
We can go on and on and on

This is my favorite song  
Turn it up  
Favorite song, Turn it up (x3)  
Up, Up, Up  
This is my favorite song  
Turn it up  
Favorite song, Turn it up (x3)  
Up, Up, Up

I hear the bass drum  
Making my heart pump  
We're almost there  
And I'm hearing the (?)  
I'm falling in love  
The more the music plays

Cuz it's like a drug  
Don't take it away

The music goes on and on and on  
This is my favorite song

Turn it up  
We can go on and on and on

This is my favorite song  
Turn it up  
Favorite song, Turn it up (x3)  
Up, Up, Up  
This is my favorite song  
Turn it up  
Favorite song, Turn it up (x3)  
Up, Up, Up

I don't hear the people  
And I don't care who (?)  
All I feel is the music  
Give the music  
Until the lights come off

The music goes on and on and on  
This is my favorite song  
Turn it up  
We can go on and on and on

This is my favorite song  
Turn it up  
Favorite song, Turn it up (x3)  
Up, Up, Up  
This is my favorite song  
Turn it up  
Favorite song, Turn it up (x3)  
Up, Up, Up
