[spoken]

This aint gon' be easy...

Uh!

You got it?

You got it?

Put it in

[sung]

Tables turnin' to a situation

Now you standin' in my face like you've been patiently waitin'

I'm rollin' over words forget the conversation

Thinkin' maybe we can make a combination

Wanna see me lose my breath and wanna hear me moan

Better be ready, we'll be able when we get alone

You was talkin' confident upon the telephone

So you gotta put it in when we get it on

No turning back from this party put you through enough to come play

Ain't no comin' down from this side my love don't go nowhere 'less I say

Look at what you got yourself into

Best take advantage be all that you can be

Best take advantage see all that you can see

'Cuz this could be your last opportunity to move me

Put it In

(Check it baby, get it baby, check it baby get it)

Work!

(Do it baby d-do it, d-do it baby get it)

Put it in

(Check it baby, get it baby, check it baby get it)

Work!

(Do it baby d-do it, d-do it baby get it)

Oh, oh!

(Check it baby, get it baby, check it baby get it)

Work!

(Do it baby d-do it, d-do it baby get it)

Don't come around if you gone let me down

You gotta get it all the way in  
I wanna see you work

You lookin' like you're lookin' for an explanation  
Use the curves in my body for your motivation  
Skip the petty games no need for complication  
Use those things for sure I'll reach my destination

Better leave a good impression before you hit the door  
'Cuz you don't want me talkin bout ya business on the  
low  
You show it off I had to fit you in my schedule  
So you better put it on me when its time to go

No turning back from this party put you through  
enough to come play  
Ain't no comin down from this side my love don't go  
nowhere 'less I say  
Look at what you got yourself into  
Best take advantage be all that you can be

Best take advantage see all that you can see  
'Cuz this could be your last opportunity to move me

Put it In  
(Check it baby, get it baby, check it baby get it)  
Work!  
(Do it baby d-do it, d-do it baby get it)  
Put it in  
(Check it baby, get it baby, check it baby get it)  
Work!  
(Do it baby d-do it, d-do it baby get it)  
Oh, oh!  
(Check it baby, get it baby, check it baby get it)  
Work!  
(Do it baby d-do it, d-do it baby get it)  
Don't come around if you gone let me down  
You gotta get it all the way in  
I wanna see you work

I ain't acceptin' no excuses baby  
To brag about it, it'd be useless baby  
You better blow me away  
Make a girl wanna stay  
At your spot for another 'round  
It's your chance to prove  
Don't forget your move  
There's nothing to lose  
But me

Put it In, put it in, put it in, put it in

(Check it baby, get it baby, check it baby get it)  
[ad lib begins]  
(Do it baby d-do it, d-do it baby get it)  
Work!  
(Check it baby, get it baby, check it baby get it)  
Put it in  
(Do it baby d-do it, d-do it baby get it)  
Oh, oh  
(Check it baby, get it baby, check it baby get it)  
Work!  
(Do it baby d-do it, d-do it baby get it)  
Don't come around if you gone let me down  
You gotta get it all the way in  
I wanna see you work  
[ad lib ends]

(Check it baby, get it baby, check it baby get it)  
(Do it baby d-do it, d-do it baby get it)  
(Check it baby, get it baby, check it baby get it)
